I-95 New Haven Harbor Crossing Corridor Improvement Program

CONSTRUCTION NEWS

Weekly Update: August 22—29, 2014

The Connecticut Department of Transportation (CTDOT) is announcing the following traffic alerts for the I-95 New Haven Harbor Crossing Corridor Improvement Program for the week of Friday, August 22 through Friday, August 29, 2014.

INTERSTATE IMPACTS

- Nighttime lane closures may occur on I-95, I-91, Route 34 and the surrounding Interchange between the hours of 8 PM and 6 AM. This work is necessary to facilitate scheduled bridge construction and roadway repairs. At least one travel lane will be maintained.

LOCAL ROAD IMPACTS

- Weekend closure and detour of Forbes Avenue between East Street and Stiles Street is scheduled to occur 10 PM Friday, August 22 through 6 AM Monday, August 25, 2014. This work is necessary to facilitate bridge construction. *map*
- Nighttime closure and detour of Water Street between East Street and Chestnut Street is scheduled to occur weeknights Friday, August 22, through Thursday, August 28, 2014 between the hours of 10 PM and 5 AM. This work is necessary to facilitate bridge construction. *map*
- Alternating one-way traffic on Stiles Street between Kendall Street and Waterfront Street Connector is scheduled to occur weekdays Friday, August 22 through Friday, August 29, 2014 between the hours of 7 AM and 5 PM. This work is necessary to roadway construction. *map*
- Alternating one-way traffic on Long Wharf Extension and Long Wharf Drive between Sargent Drive and the I-95 Northbound off-ramp to Long Wharf Drive is scheduled to occur weekdays Monday, August 25 through Friday, August 29, 2014 between the hours of 9 AM and 3 PM. This work is necessary to roadway construction. *map*
- Daytime lane closure on Canal Dock Road between Long Wharf Drive and Sargent Drive is scheduled to occur weekdays Friday, August 22 through Friday, August 29, 2014 between the hours of 7 AM and 3 PM. Two-way traffic will be maintained. This work is necessary to facilitate bridge construction. *map*
- Daytime lane closure on Sargent Drive is scheduled to occur Monday, August 25 through Friday, August 29, 2014 between the hours of 9 AM and 3 PM. This work is necessary to facilitate roadway construction.
- Continuous lane closures on Forbes Avenue between East Street and Waterfront Street are scheduled to occur Friday, August 22, through Friday, August 29, 2014. This work is necessary to facilitate bridge construction. *map*
- Continuous lane closure on Long Wharf Drive between Long Wharf Drive Extension and Canal Dock Road is scheduled to occur Friday, August 22, 2014 through Summer, 2014.

POTENTIAL VIBRATION / NOISE CONSTRUCTION ACTIVITIES

- Daytime and nighttime activities that may create vibrations and/or noise are scheduled to occur throughout the Interchange Friday, August 22 through Friday, August 29, 2014. *map*

PLEASE BE ADVISED

- Signs will be posted to help guide you.
- Local business access will be maintained during all detours and lane closures.
- Work will occur weather permitting & will be rescheduled as necessary.

The Connecticut Department of Transportation is improving traffic operations along I-95 in Greater New Haven. The I-95 New Haven Harbor Crossing (NHHC) Corridor Improvement Program is a multi-modal transportation improvement program that features public transit enhancements and roadway improvements along 7.2 miles of I-95, between Exit 46 (Sargent Drive) in New Haven and Exit 54 (Cedar Street) in Branford.

CTDOT is working to inform local residents of current and upcoming construction activities through announcements such as this, as well as through the I-95 NHHC Corridor Improvement Program website (www.i95newhaven.com).

For any questions about the program, please call 1-203-752-1996 or email info@i95newhaven.com.
