I-95 New Haven Harbor Crossing Corridor Improvement Program

CONSTRUCTION NEWS

Weekly Update: June 20 — 27, 2014

The Connecticut Department of Transportation (CTDOT) is announcing the following traffic alerts for the I-95 New Haven Harbor Crossing Corridor Improvement Program for the week of Friday, June 20 through Friday, June 27, 2014.

INTERSTATE IMPACTS

- Nighttime closure and detour of the I-91 southbound off-ramp to I-95 northbound is scheduled to occur weeknights Friday, June 20, through Friday, June 27, 2014 between the hours of 10 PM and 5 AM. This work is necessary to facilitate bridge construction. *map*
- Nighttime closure and detour of the Wooster Street on-ramp to I-95 northbound is scheduled to occur weeknights Friday, June 20, through Friday, June 27, 2014 between the hours of 10 PM and 5 AM. This work is necessary to facilitate bridge construction. *map*
- Nighttime closure and detours of the Route 34 eastbound ramps to I-95 northbound and I-91 northbound are scheduled to occur weeknights Friday, June 20, through Friday, June 27, 2014 between the hours of 10 PM and 5 AM. This work is necessary to facilitate bridge construction. *map*
- Nighttime 20 minute stoppages on the I-95 northbound off-ramp to I-91 northbound (Exit 48) are scheduled to occur weeknights Friday, June 20, through Friday, June 27, 2014 between the hours of 12 AM and 5 AM. *map*
- Nighttime lane closures may occur on I-95, I-91, Route 34 and the surrounding Interchange between the hours of 8 PM and 6 AM. This work is necessary to facilitate scheduled bridge construction and roadway repairs. At least one travel lane will be maintained.

LOCAL ROAD IMPACTS

- Daytime closure of Alabama Street between Stiles Street and Waterfront Connector is scheduled to occur Saturday, June 21, 2014 between the hours of 7 AM and 5 PM. The road is expected to be closed and detoured periodically to facilitate paving.
- Daytime lane closures on Water Street between East Street and Chestnut Street are scheduled to occur weekdays, Friday, June 20, through Friday, June 27, 2014.This work is necessary to facilitate bridge construction. *map*
- Continuous lane closures on Forbes Avenue between East Street and Waterfront Street are scheduled to occur Friday, June 20, through Friday, June 27, 2014. This work is necessary to facilitate bridge construction. *map*
- Daytime lane closure on Canal Dock Road between Long Wharf Drive and Sargent Drive is scheduled to occur weekdays Friday, June 20, through Friday, June 27, 2014 between the hours of 7 AM and 3 PM. Two-way traffic will be maintained. This work is necessary to facilitate bridge construction. *map*
- Daytime lane closure on Sargent Drive is scheduled to occur weekdays Friday, June 20, through Friday, June 27, 2014 between the hours of 9 AM and 3 PM. This work is necessary to facilitate roadway construction.
- Continuous lane closure on Long Wharf Drive Extension between Sargent Drive and Long Wharf Drive is scheduled to occur Friday, June 20, 2014 through Spring, 2014. Alternating one-way traffic may be implemented to facilitate bridge construction. *map*
- Continuous lane closure on Long Wharf Drive between Long Wharf Drive Extension and Canal Dock Road is scheduled to occur Friday, June 20, 2014 through Spring, 2014.

POTENTIAL VIBRATION / NOISE CONSTRUCTION ACTIVITIES

- Daytime and nighttime activities that may create vibrations and/or noise are scheduled to occur throughout the Interchange Friday, June 20, through Friday, June 27, 2014. *map*

PLEASE BE ADVISED:

- Signs will be posted to help guide you.
- Local business access will be maintained during all detours and lane closures.
- Work will occur weather permitting & will be rescheduled as necessary.

The Connecticut Department of Transportation is improving traffic operations along I-95 in Greater New Haven. The I-95 New Haven Harbor Crossing (NHHC) Corridor Improvement Program is a multi-modal transportation improvement program that features public transit enhancements and roadway improvements along 7.2 miles of I-95, between Exit 46 (Sargent Drive) in New Haven and Exit 54 (Cedar Street) in Branford.

CTDOT is working to inform local residents of current and upcoming construction activities through announcements such as this, as well as through the I-95 NHHC Corridor Improvement Program website (www.i95newhaven.com).

For any questions about the program, please call 1-203-752-1996 or email info@i95newhaven.com.
