

I-95 New Haven Harbor Crossing Corridor Improvement Program **CONSTRUCTION NEWS**

June 3, 2010

Traffic Shift of I-91 Southbound Ramp (Exit 1) to Route 34 Westbound in New Haven is Scheduled to occur beginning Friday, June 4, 2010

The Connecticut Department of Transportation is announcing I-91 SB (Exit 1) ramp lanes to Route 34 WB to be shifted to the right beginning Friday, June 4, 2010 to allow for continued construction of the Route 34 'Flyover' in New Haven.

What to Expect:

The map on the reverse side illustrates the area detailed.

- Traffic will be shifted to the right on I-91 SB to Route 34 WB beginning Friday, June 4, 2010.
- Signs will be posted to help guide you.
- Work will occur weather permitting and will be rescheduled, if necessary.

The work in Contract E2 is part of the I-95 New Haven Harbor Crossing (NHH) Corridor Improvement Program and includes the construction of a new ramp (Route 34 'Flyover' Bridge) from I-95 NB to Route 34 WB at Exit 47 in New Haven. The project also includes reconstruction of the Route 34 WB bridge over Brewery Street, relocation of the Exit 46 ramps at Long Wharf and Sargent Drives and the construction of a second lane from I-91 SB to I-95 SB. The project is in advance of the construction of the new Pearl Harbor Memorial (Q-Bridge) and the I-95/I-91/Route 34 Interchange.

The Connecticut Department of Transportation is working to inform local residents of current and upcoming construction activities through bulletins such as this, as well as the I-95 NHH Corridor Improvement Program website (www.i95newhaven.com) and the toll-free Program Hotline (**1-866-277-9595**).

If you have any questions about the program, please call us at **1-203-752-1996** or send an email to info@I95NewHaven.com.
